## **Directors' Report**

The Directors present their annual report on the affairs of the Company, and the audited financial statements for the year to 31 March 2013.

### **Principal Activities**

The principal activities of the Company comprises the development of homes for sale within the UK.

### **Performance in the Year**

#### **Business Review**

The Company previously worked in partnership with English Partnerships and another private developer, Leach Homes Limited, to create a mixture of private and affordable homes in the Westcroft area of Milton Keynes. The Company acted as the lead developer on three mixed tenure sites creating a total of 172 homes. All homes were completed and the last home was sold in the year ended 31 March 2007.

In the year to 31 March 2013, the Company made a loss before tax of £Nil (2012: £29k), after provision of a £Nil Gift Aid donation to the parent company Orbit Group Limited (2012: £122k). There are currently no future plans for this company to resume trading, and apart from the payment of existing creditors the company has been dormant since 1 April 2012.

#### **Treasury Policy**

The Board recognises that its high degree of debt makes it important to consider its treasury policy. The treasury function operates within a framework of clearly defined Orbit Board approved policies, procedures and delegated authorities. The fundamental principle underlying the Company's approach is to treat treasury activities as a means of controlling risk rather than for profit generation. For Orbit New Homes Limited this involves minimising loans drawn, cash held at bank and investing surplus cash in short-term cash deposits.

#### **Results and Dividends**

The loss for the financial year was £Nil (2012: £(29)k). The Directors do not recommend payment of a Dividend (2012: £Nil).

#### **Directors**

The Directors who served during the year are shown on page 1 . The Company is a wholly owned subsidiary of Orbit Group Limited.

#### **Statement of Directors' responsibilities**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business;
